

Imroz Ansari

Frontend Developer

Mumbai, India | ansariimroz2005@gmail.com | +91 98922 11549 | github.com/imrozansari751 | [LinkedIn](#) | [Portfolio Website](#)

SUMMARY

Motivated and detail-oriented Computer Science student with hands-on experience in frontend development, React.js, and API integrations. Passionate about building responsive and user-friendly web applications using modern technologies like Tailwind CSS and JavaScript. Eager to contribute my skills to a dynamic team and continue growing in the software development field.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript

Web Development: HTML5, CSS3, React.js, Tailwind CSS, WordPress, Wix Studio

Databases: MySQL, PL/SQL

Tools: Git, GitHub, VS Code

WORK EXPERIENCE

Codermates Technologies, Frontend Developer Intern

09/2025 – 12/2026

- Worked as a Front-End Intern, building clean and interactive user interfaces.
- Contributed to three projects, including an e-commerce platform.
- Created JSON-based product data and dynamic website sections.
- Developed responsive layouts and improved overall user experience.

GOALKEEP, Web Developer Intern

09/2025 – 01/2026

- Developed websites using WordPress and Wix based on provided requirements and content.
- Implemented pre-built themes, pages, and components to ensure proper site functionality.
- Customized website structure, plugins, and basic settings as required.
- Ensured responsive behavior and proper display across devices.
- Assisted in publishing and updating website pages as per instructions.
- Resolved basic functionality and layout-related issues during development.

AppX Studio, Frontend Developer Intern

12/2024 – 01/2025

- Component Development: Enhanced and modified existing React components to align with design specifications shared via Figma by Siddharth Audhinarayanan (Mentor, AppX Studio).
- Code Quality & Optimization: Maintained clean, reusable, and scalable code by minimizing style duplication and ensuring consistent component structure across the application.
- Remote Collaboration: Completed the internship in a remote setup, contributing approximately 12 hours per week while meeting project timelines and mentor expectations.
- Technology Stack: Worked with React.js, Tailwind CSS, and Figma to deliver frontend features following modern UI/UX and frontend development best practices.

Fukui Accent Pvt. Ltd. & Tozai Safety Pvt. Ltd., Frontend Developer Intern

07/2024 – 09/2024

- Worked in a shared office environment to design and develop responsive websites for both Fukui Accent Trading and Tozai Safety Pvt. Ltd.
- Built and optimized user interfaces using HTML, CSS, JavaScript, Tailwind CSS, and React based on Figma designs.
- Ensured seamless user experiences across devices and maintained code reusability and consistent styling across components.
- Fukui Accent Website | Tozai Safety Website

GOALKEEP, DATA CLEANING

04/2024 – 05/2024

- Responsible for the meticulous cleaning of a client's dataset and tasks included compiling rows requiring cleaning, cross-referencing inaccurate data with master lists to correct errors and remove duplicates, and conducting repeated manual checks to ensure data integrity.
- Successfully cleaned over 13,000 rows of data on the Google Sheets platform, consistently maintaining high standards of quality and provided regular updates about my work.

EDUCATION

Bachelor of Science in Information Technology, Nagindas Khandwala College

2026

Expected Graduation: 2026

12th Standard, Ismail Yusuf College

07/2022 – 02/2023

Percentage: 70.5%

10th Standard, Elia Sarwat High School

06/2020 – 03/2021

Percentage: 86.2%
